

GARAGE BLG77

COMMERCIAL ROLLER DOORS (BLG77)

TYPICAL USES: DOMESTIC GARAGES, CARPORTS

A foam filled double skin insulated garage door offering smooth running robust alternative to other garage doors. Available with remote control via keyfob and manual override facility. A variety of different colours are available and oak and mahogany woodgrain finish to match PVC windows. Small coil diameter offers clear height and width openings. The Roller Shutter is a proven design now available for domestic use. Available in colour polyester powder coated.
